

# **Тема: Примеры UI / UX**

- 1. Формы и валидация**
- 2. Signup и Onboarding**
- 3. Платежи**
- 4. Оповещения**

# Формы и UX

---

- ☐ НИКТО НЕ ЛЮБИТ ЗАПОЛНЯТЬ ФОРМЫ!
- ☐ Валидация форм - процесс, когда форма проверяет, правильную ли информацию ввёл пользователь

# Главный принцип - Обратная связь

State / Province  
→ California

ZIP / Postal code  
→ 91759

Country or region  
United States

Primary telephone number  
→ 656 - 362 - 1526 ext.:

Example: 123-456-7890  
Telephone is required in case there are questions about your account.

Email address  
→ email@email.com

**BAD FORM VALIDATION**

State / Province  
→ -Select-  
Select your state

ZIP / Postal code  
→  
Enter your ZIP / Postal code

Country or region  
United States

Primary telephone number  
→ - - - ext.:  
Enter your primary telephone number  
Example: 123-456-7890  
Telephone is required in case there are questions about your account.

Email address  
→  
Enter your email address

**GOOD FORM VALIDATION**

# User-error protection

---

- ☐ ошибки формата
- ☐ информировать
- ☐ обязательные поля
- ☐ подсветить
- ☐ несовпадение
- ☐ предложить варианты

# Валидация - примеры

---

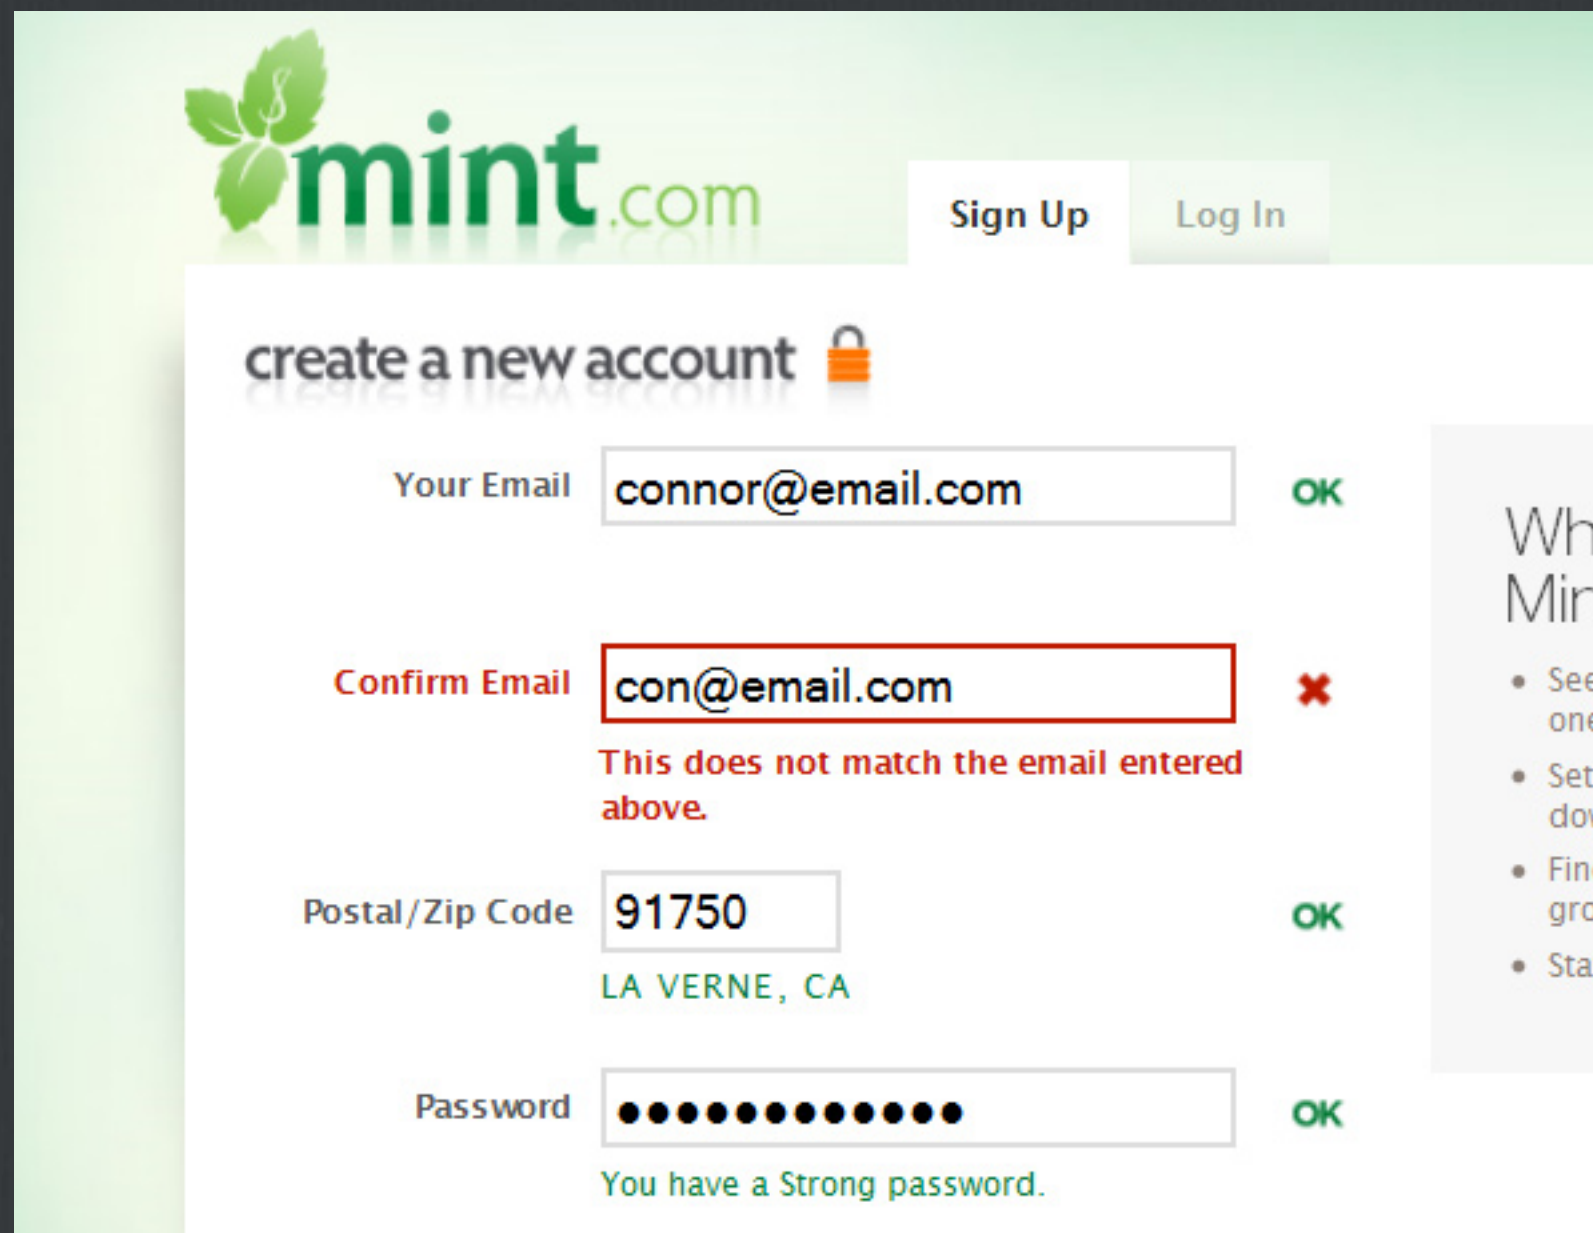

|                            |                                                                                                                      |
|----------------------------|----------------------------------------------------------------------------------------------------------------------|
| Your name                  | <input type="text" value="Connor Turnbull"/>                                                                         |
| Your email                 | <input type="text" value="I don't wanna!"/><br><small>Please provide your email address so we can reach you.</small> |
| Your message               | <input type="text" value="This is a message"/>                                                                       |
| Please do this simple math | <div><div>0 + 0 = ?</div><input type="text" value="1"/><br/><small>Wrong result!</small></div>                       |

# Валидация - примеры

---

|                                                                                                          |                                                                 |                                   |
|----------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------|-----------------------------------|
| Full name                                                                                                | <input type="text" value="Connor &lt;u&gt;Turnbull&lt;/u&gt;"/> | ✓ ok                              |
| Your full name will appear on your public profile                                                        |                                                                 |                                   |
| Username                                                                                                 | <input type="text" value="connor_&lt;u&gt;the_bull&lt;/u&gt;"/> | ✓ ok                              |
| Your public profile: <a href="http://twitter.com/connor_the_bull">http://twitter.com/connor_the_bull</a> |                                                                 |                                   |
| Password                                                                                                 | <input type="password" value="....."/>                          | ✓ Good                            |
| Email                                                                                                    | <input type="text" value="huh?"/>                               | should look like an email address |

# Валидация - примеры

The screenshot shows the 'create a new account' form on mint.com. The form includes fields for 'Your Email', 'Confirm Email', 'Postal/Zip Code', and 'Password'. Each field has a corresponding validation status indicator (OK or X) and a feedback message.

**mint.com** Sign Up Log In

create a new account 

Your Email  OK

Confirm Email  X  
This does not match the email entered above.

Postal/Zip Code  OK  
LA VERNE, CA

Password  OK  
You have a Strong password.

Why Mint

- See one
- Set a dow
- Find grow
- Stay

## Требования к паролю:

- Пароль должен содержать только латинские буквы (строчные и прописные) и цифры
- Пароль должен содержать не менее 8 и не более 12 символов
- Пароль должен содержать хотя бы одну прописную и хотя бы одну строчную букву, а также хотя бы одну цифру
- Пароль не может содержать трёх подряд идущих одинаковых символов

# Валидация - примеры

---

The image shows a screenshot of the WordPress login page. At the top, the WordPress logo is displayed. Below it, a red-bordered box contains an error message: "ERROR: Invalid username. [Lost your password?](#)". In the center, there is a white login form with a subtle drop shadow. The form contains two input fields: "Username" and "Password". Below the "Password" field, there is a checkbox labeled "Remember Me". To the right of the form is a blue "Log In" button. At the bottom of the page, there is a blue link that says "Lost your password?".

## Web Site Content Writers

Building a successful Internet presence for your business entails many steps, each of which needs to be handled properly in order for you to achieve your goals. Formulating an attractive, user-friendly design for your Web site is certainly important, but a pleasing look is not the most important aspect of growing your business online. Like any other business model, you need to build a solid foundation before concentrating on the aesthetic value of your presence and overall branding.

Point of Entry Consulting, Inc. is a company that helps entities of all types build that foundation. We are a team of writing professionals, and we understand all of the necessary components that are inherent in any successful online presence. Generally speaking, any successful Web site must be found on the search engines, and once a Web site is found,

This screenshot shows a mobile shopping cart interface. At the top, a blue header bar contains a star icon, the text "Cart (1 item)", and a shopping cart icon. Below the header, the "Subtotal" is displayed as "\$10<sup>00</sup>". A note states: "Does not include any applicable shipping charges, sales tax or any optional gift charges." A large orange "Checkout" button is positioned below the subtotal. The cart contains one item: "Hanes Men's EcoSmart Fleece Pullover Hood" priced at "\$10<sup>00</sup>", with "Size: L" and "Color: Dark Chocolate" specified, and a quantity of 1. Below the item list are two buttons: "Sign In" (solid blue) and "Edit Cart" (outlined blue). At the bottom, a section titled "Saved for later (1 item)" shows a "SCEPTRE X405BV-FHDR 40\" LED Class 1080P HDTV with ultra..." priced at "\$278<sup>00</sup>".

This screenshot shows a mobile address form interface. The title "Add Address" is in a blue header bar. The form includes several input fields: "Last name", "Address", "Address line 2 (optional)", "City", "State" (a dropdown menu with a "Select" button), and "ZIP code". Below the form fields are "Prev." and "Next" buttons. At the bottom of the screen is a numeric keypad with letters associated with numbers (e.g., 2 ABC, 3 DEF), a "Go" button, a "Sym" button, and a settings gear icon.

# Антипаттерны

## The 'Input Amnesia' Antipattern

### Step 1: User Error

User forgets to enter their Gender

Email Address:

Password:

Password strength: Fair

Re-type Password:

Username:

Username available!

Your username can only contain letters A-Z or numbers 0-9

[Check Availability](#)

Location:

Postal Code:

Date of Birth:

Gender: ☐ Male ☐ Female

 [New Image](#)

Word Verification:

Enter the text in the image

☒ Let others find my channel on YouTube if they have my email address

Terms of Use, Privacy Policy: ☒ I agree to the [Terms of Use](#) and [Privacy Policy](#).

Uploading materials that you do not own is a copyright violation and against the law. If you upload material you do not own, your account will be deleted.

[Create my account](#)

### Step 2: User Punishment

User must redo password & CAPTCHA

Email Address:

Password:

Password strength: None

Re-type Password:

Username:

Your username can only contain letters A-Z or numbers 0-9

[Check Availability](#)

Location:

Postal Code:

Date of Birth:

☒ Let others find my channel on YouTube if they have my email address

Terms of Use, Privacy Policy: ☐ I agree to the [Terms of Use](#) and [Privacy Policy](#).

Uploading materials that you do not own is a copyright violation and against the law. If you upload material you do not own, your account will be deleted.

[Create my account](#)

# Антипаттерны

## The 'Wrong Destination' Antipattern

### Step 1: User initiates an action

User attempts to write a review, but is forced to register first.

### Step 2: But they're taken elsewhere

Having registered, they get dropped off at the wrong place.

# Антипаттерны

## The 'Dead End' Antipattern

### Step 1: User Error

User tries to register, even though they have already done so in the past

The screenshot shows the Vimeo registration interface. On the left, there is a blue box with the text 'Join Vimeo' and a link 'or Log In'. Below this is a Facebook 'Connect' button. On the right, there are three input fields: 'First & Last Name' with the value 'Harry', 'Email' with the value 'harrybr@gmail.com', and 'Password' with masked characters. Below the password field is a checkbox labeled 'I understand and agree with Vimeo Terms & Conditions'. At the bottom right of the form is a 'Join Vimeo' button.

### Step 2: User Punishment

The user is told off, and as a slap on the wrist they are given a dead end. They then have to make their own way over to the log-in page.

That email address is already in our system.

# Антипаттерны

## The 'Unncessary CAPTCHA' Antipattern

**A CAPTCHA should be seen as a last resort.**

The best ways to deal with bots is to do so behind the scenes, without bothering your users.

# Антипаттерны

## The 'Unnecessary Email Verification' Antipattern

### **Myspace.com locks new users out**

A newly registered user must verify their email address before they can log in and start doing anything at all with their account.

Sign Up for MySpace

**Please confirm your email address!**

**Thank you for signing up!** A message with a confirmation link was sent to **h.arrybr@gmail.com**. Click on the link in the message to complete your sign up.

### **Hi5.com allows them in, but blocks certain features**

A newly registered user can instantly get busy setting up their profile page and adding friends. However, email-related features are blocked.

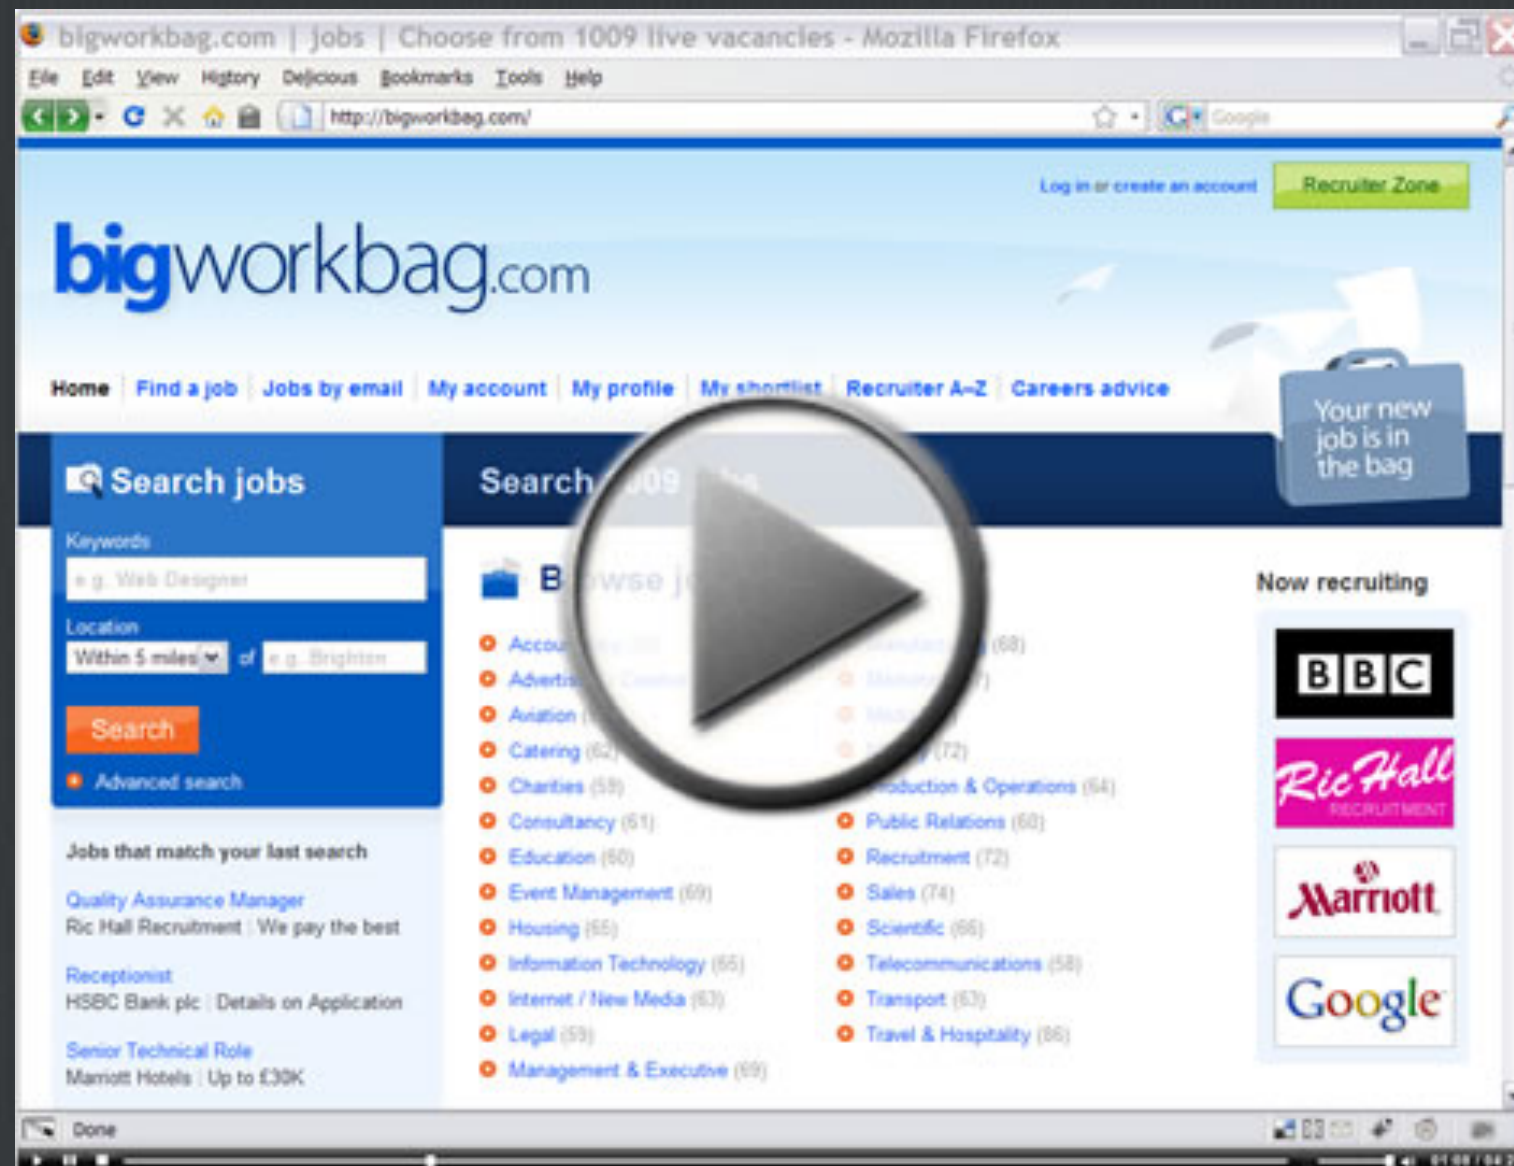

### **Activate Your Account**

**Please take a moment to activate your account.**

An activated account allows you to use popular hi5 features, such as sending messages, leaving comments, and posting in groups.

## How TripIt Works

**1** Just email TripIt your travel plans—no matter where you booked.

**2** TripIt builds you a master itinerary with all your plans and more.

**3** With TripIt, it's easy to share, print and access your itinerary from anywhere.

Just forward your travel confirmation emails to [plans@tripit.com](mailto:plans@tripit.com)  
Learn more about TripIt.

## Just Email Us Your Travel Plans

The easiest way to get started with Triplt is to simply email all your travel confirmation emails to:

[plans@tripit.com](mailto:plans@tripit.com)

Once we receive your bookings, we'll email you a link to view your itinerary and your new Triplt account.

Using Triplt is **free** and your travel plans are kept **secure and confidential**.

### What are Travel Confirmation Emails?

Travel confirmation emails are the emails that you receive from your airline, hotel, rental car, or online travel site with the details about your travel bookings.

Triplt works by automatically organizing all your travel confirmation emails into your master itinerary. Just forward us your emails and you're done!

A payment form interface. At the top, there are four logos: VISA, MasterCard, American Express, and DISCOVER. Below the logos, there are two input fields: 'Debit/Credit Card Number' (highlighted in yellow) and 'Security Code' (with a blue question mark icon to its right). Below these fields, there is an 'Expires' label followed by two dropdown menus for 'Month' and 'Year'. At the bottom, there is a link that says 'Pay with two debit/credit cards'.
